

LEDMW-108 MODELS

- Also available 136" (LEDMW-136 models) and 163" (LEDMW-163 models) dvLED configurations to support a variety of room sizes and viewing distances
- Features furniture-grade HPL cabinetry offered in a range of standard and custom finishes
- Includes press-to-release, soft-close cabinet doors for smooth, quiet access and a premium user experience
- Integrated LED base illumination elevates the overall design, creating a more polished, professional environment
- Utilizes natural convection cooling, and also includes thermostatically controlled, whisper-quiet fans to maintain proper operating temperatures
- Supports integration of third-party AV equipment, including Crestron® Flex video conferencing systems and SurgeX® power protection

Refinio Media Wall by Peerless-AV®

108" ALL-IN-ONE dvLED DISPLAY SOLUTION

Refinio Media Wall by Peerless-AV® is a refined, all-in-one dvLED display solution designed for high-end executive boardrooms, conference rooms, and training facilities. Combining a FHD COB dvLED display, precision-engineered mounting system, furniture-grade HPL cabinetry, and optional video conferencing and acoustic housing, Refinio delivers a complete, ready-to-install solution with minimal room preparation. Integrated base cabinetry houses critical AV components for clean, accessible integration – eliminating the need for a separate equipment room – while a wide selection of anti-fingerprint solid colors, woodgrain finishes, and acoustic fabrics* ensures lasting durability with a premium aesthetic.

ALL-IN-ONE SOLUTION
Includes a FHD COB dvLED display, precision-engineered mounting system, furniture-grade HPL cabinetry, and optional video conferencing and acoustic housing for fast and streamlined technology deployment

INSTALLATION-FRIENDLY DESIGN
Designed for quick installation with minimal room preparation to reduce overall project time and cost

INTEGRATED CAMERA & AUDIO SUPPORT
Exclusive to the LEDMW-108-VC models, this solution is designed to accommodate a customer-supplied video conferencing system, with a mounting height of 43" (1100mm) and the option to relocate the camera above the display

CONVENIENT COMPONENT STORAGE
Provides base cabinet storage with support for a 2RU swing-out rack mount, component tray, shelving, and other AV equipment
